Subject: McCarthy Response Letter to NY

Joel, RAs and DRAs.

Judith and Catherine have kept folks informed about Hoosick Falls activities, most recently a field hearing that NY State House committees held and for which Judith provided a letter.

The same day of the hearing (Tuesday, Aug. 30), the commissioners for the state health and environment departments sent a letter to the Administrator (attached). I wanted to share that letter and the response that the Administrator just sent to the commissioners.

Mark
